OUR COMMITMENT TO THE PEOPLE AND ECONOMY OF

South Dakota
At Bank of America, our heritage is in our name.

The power of local connections
At Bank of America, we have leading capabilities across all our businesses and a strategy that is focused on connecting our capabilities to deliver for our customers and clients. In every situation, we're committed to growing responsibly and sustainably - ensuring everything we do aligns to our purpose of helping people live better financial lives.

- Families can have the tools and support they need to live more successful financial lives.
- Neighborhoods can be built on a solid foundation of responsible home lending and economic development.
- Businesses, small and large, can benefit from our financial and intellectual capital.
- And the organizations, nonprofits and companies addressing society's toughest problems can have the resources and expertise of the company and the efforts of our over 200,000 employees behind them.

In each market, we strive to connect everything our company offers to our clients' personal and financial goals so we can provide tailored solutions to fit their needs. It’s how we make this large company personal and how we help our customers, clients and communities thrive.

Environmental business initiative

Since 2007, we have deployed more than $200 billion to our low-carbon, sustainable business activities as part of our Environmental Business Initiative.

In 2021, we announced that we have committed $1 trillion by 2030 toward these efforts as part of a broader $1.5 trillion sustainable finance goal by 2030, focused on financing and investment aligned with the United Nations Sustainable Development Goals.
